USPA NEWS - An ideal place to spend a family holiday? Recreation, Animation program for children. family hotel. Personally, I have spent several days in this hotel. This hotel is characterized by a truly beautiful location in a strategic location. The hotel complex is set on the seafront with a beautiful pebble beach. There are three pools in the hotel complex, one of which is for the youngest children. There are three water slides at the pool of salt water, which are also used by parents. Other services include tennis courts, a modest gym, PingPong, etc. Visitors use 4 stars all-inclusive service. A snack bar is available throughout the day. Beer, wine, lemonade. From 16:00 is the time of coffee and dessert. Everything to be in the case of a family holiday, but there is one but...

I was very pleased to speak with the Hotel Manager Mr. Thodoros Antoniou. Mr. Manager, he is a very sophisticated and professional man, educated at the American Business University.
Not only the fact that he has a high level of education but , mainly experience after
many years at the top Hotel management. Mr. Thodoros Antoniou he is a great professional who is knowledgeable in the field of hotel industry at a high level.
Mr. Manager, can take care of the operation of a huge hotel where there are two thousand visitors, solving many problems that tourists have no idea. In this respect, the manager is still a very pleasant, dedicated man who professionally solves even the most stupid complaints. He always comes out with a smile and willingness to solve everything immediately.
Because, Mr. Manager is a professional man, he has a lot of ideas to get up and improve the hotel service. I am not to be afraid to write that, He Have experience to transform it the 4-star hotel can be a 5-star hotel.
The owner of the hotel should listen to the professional manager Mr. Thodoros Antoniou and allow him to improve the business as much as possible.
