Your unwavering support and commitment to the vision of YCC Nigeria have been instrumental in making this initiative a reality.

OUTCOMES OF THE LAUNCH:

1. Successful Launch of YCC Nigeria: The YCCN was officially launched with a clear roadmap, setting immediate and long-term objectives aimed at engaging Nigerian youth in climate policy and action.
2. Increased Stakeholder Engagement: Stronger collaboration between youth, government, and civil society was established, fostering a unified approach to climate challenges in Nigeria.
3. Youth Empowerment: Nigerian youth were empowered with the tools and platforms needed to take meaningful actions on climate issues, ensuring their voices are heard at decision-making levels.
4. Approval of Climate Projects: Three climate action projects were approved for immediate implementation:
Youth Green Initiative of Nigeria (YGIN): A local plastic recycling program to promote sustainability and job creation.
Be Green 9ja and GreenAgain9ja: Tree planting campaigns to combat deforestation and enhance air quality in Nigeria.
5. Strategic Partnerships: UNICEF Nigeria announced partnerships with Global Environmental and Climate Conservation Initiative (GECCI) and the Bauchi State Ministry of Housing and Environment, Ministry of Youth and Sports Development, and Ministry of Education for large-scale tree planting and biodiversity restoration projects.
6. UNICEF Nigeria to integration of YCCN members into UNICEF's Youth Advisory, giving young Nigerians a voice on both national and international platforms.

The YCCN launch is a critical platform for fostering youth-led climate solutions, policy dialogue, and sustainable actions as we confront growing environmental challenges. We look forward to continued collaboration with all our partners as we advance this important initiative.
